

MANITOBA WILDLIFE FEDERATION

2019 AWARD NOMINATIONS

Nomination Deadline February 11, 2019

In each MWF affiliated club, there are dedicated people that stand out. They are the individuals who regularly devote time and energy to the activities of their club which support the goals and mission of MWF. In every community there are individuals and groups who volunteer their time and talents to further the cause of conservation, and the future of angling and hunting.

For the most part, these special people go unheralded, with their only reward being the personal satisfaction of doing their part for wildlife, fisheries and conservation. The Manitoba Wildlife Federation wants to recognize and honor these individuals and groups for their devotion and commitment. Awards will be presented on Saturday, April 13 at the Convention Awards Banquet.

Help the Federation acknowledge its most valuable asset by nominating an individual, association, or agency for any of the following awards:
