SHOTGUNNING & WATERFOWL 101 TRAINING DAY!

St. Hubertus Gun Range—August 17, 2019

This program provides participants with an opportunity to try shotgunning, or improve their skills in shotgunning, in a safe, informative and FUN environment. Amazing shotgun instructors from MWF and Team Lady Fowlers will teach safe firearm handling and practice basic shotgun skills on the range. We will then guide the group through 6 stations of sporting clays! Sporting clays is a fun course that provides different target presentations similar to waterfowl hunting (much like golf with a shotgun). To top it all off, participants will also take in a seminar on waterfowl hunting! Learn about gear, decoy placement, calling, where and how to hunt waterfowl in Manitoba! Lunch, ammunition and ALL gear is provided. Anyone over the age of 10 can participate and no experience is necessary.
